Dear Parents / Guardians

MEDICATION AT SCHOOL

The school office cannot dispense pain medication such as Panado and Nurofen to the learners, without a permission slip from the parents/guardians. Please return the signed slip to the secretary as soon as possible, as your daughter/son will NOT be given any medication without it.

A register will also be kept to discourage misuse of this privilege. The office supplies are for emergencies only.

It is against the school rules to wear nail polish or make-up to school. The office stocks nail polish remover however should this service be abused a cost will be levied and detention given to regular offenders.

Please ensure that your child leaves home every morning adhering to the school rules in connection with uniform and appearance as set out in the Code of Conduct document.

Thank you for your assistance in this regard, it is much appreciated.

Yours faithfully

MR T BOTHA
PRINCIPAL

Please sign the attached reply slip and hand in at reception.
